

The International Conference on Integrative Medicine, May 13-15, 2012, Jerusalem

**Medical Herbs Therapists Announcement**

We are pleased to advise that The International Conference on Integrative Medicine will take place in Jerusalem, from May 13-15, 2012.

This Conference will bring together therapists and physicians working in the various fields of integrative medicine. Data will be presented on the different methods of treatments – conventional and traditional medicine, as well as focusing on how to improve the lifestyle of adults above the age of 40, by treating them with *Medicinal Herbs*.

We are pleased to invite *Medicinal Herbal* Therapists worldwide to come and share their knowledge and experience in this field.

On behalf of The **Israel Association for Medicinal Plants**, we would like to invite you to submit an abstract for either oral, poster or workshop presentations.

This is also a unique opportunity to meet other therapists from the many fields of Integrative Medicine from around the world.

We look very much forward to welcome you at this conference,

Dr. Mina Ferne

Prof. Zohara Yaniv

Dr. Gabi Link
